

EMAIL CHRIS KITCHIN (leader of Connexional panel of inquiry) to Peter Hill re the Church providing a lawyer. (Peter Timms being in hospital at the time)

Email 120616

Thank you Peter.

I don't know where Peter obtained that information but the church has never, to my knowledge, made such an offer. I also think it unlikely to do so as it would be an open-ended budget based solely on the number of complaints received. The complaint process is not an adversarial one and, in my opinion of dealing with a number of complaints, does not need legal representation.

Sorry I can't be more helpful.

Chris
